NEW BUSINESS

a. Comprehensive Plan Workshop (Discussion Only)

Michele Chadwick attended the meeting to help the commission continue the work on the comprehensive plan. Michelle said that the best avenue is to take the existing plan and go through the chapters. There will be some chapters that won't need any changing, and some that will need minimal tweaking, these are the ones that we should work through first. Then more extensive chapters will follow as they will take much more time to work through. City Attorney Dan Chadwick and Michele will be providing a planning and zoning training for both the P&Z commission and city council. This is the same training that they provided for the city of Payette. Michele said that Dan could attend some of the comp plan meetings when needed to advise the commission of legalities. Michele will follow up with City Clerk Danielle Painter to schedule the training.

Comments: Teresa thanked Michele for attending the meeting and her assistance with the comp plan.

Commissioner Morales made a motion to adjourn. Commissioner Kovick seconded the motion. Motion carried at 7:27 p.m.
