**Comprehensive Plan**

Commissioner Allen asked Deputy Clerk Heather to check with Mayor Rick York about the Comprehensive Planning Committee and if the City Council has a timeline on when the Committee would be put together. Commissioners discussed what areas of the city they would like to see zone changes in, followed by Commissioner Harvey volunteering to put together a plan and order of importance on the different areas that they would like to see zone changes happening to. The Commissioners agreed to let Commissioner Harvey put a plan together and at the next meeting, they would look it over and decide from there on where to go and what to do. Commissioner Mendive thought it would be a good idea for the Commissioners to have everything planned out and back up information to support their ideas for the Comprehensive Planning Committee, so that when the time came for the Comprehensive Planning Committee to look over and make changes, Planning and Zoning would have all the info that the Committee would need to proceed.

**Commissioner Mendive moved to adjourn. Commissioner Voss seconded the motion. Motion carried at 7:30 pm.**
